Agreement for Orchestra Musician Services: 2023-2024 Performance Contract

1. All Musicians are allotted no more than one missed rehearsal per concert. Substitute (non-seated) musicians please *select* those concerts you are available to perform. For substitute players, concert selection does not guarantee that the player will be contracted for all listed (requested) concerts. The concert manager will notify you of contract opportunities as soon as they become available.
2. For the services detailed herein, MCS agrees to pay the Musician a flat rate of \$60.00 for each performance and each rehearsal, or \$75.00 for Principal Chairs, and \$80.00 for the Concertmaster. Musicians living beyond a 20-mile radius from the Tri-Cities are eligible for travel reimbursement up to a \$100 limit (see “Travel Stipend Guidelines” in the “Musician Preferences” section, page 1). The Musician may receive two complimentary tickets to each employed performance, subject to availability.
3. The Musician is required to complete a W-9 form if one is not already on file. This is a requirement for all musicians
4. The Musician agrees to be financially liable for any physical music copies provided by MCS. This includes any fines MCS incurs for lost, late, or damaged music. Music markings will be made with ***pencil only***.
5. The musician shall attend the first and each rehearsal fully and professionally prepared to play the defined program to the complete satisfaction of the Mid-Columbia Symphony conductor so as to promote the highest of musical standards for the Mid-Columbia Symphony.
6. The Musician agrees to allow MCS unrestricted rights to broadcast or re-broadcast visual and audio recordings without additional compensation.
7. The Musician agrees to allow MCS to use their name, image and other likenesses for performance-related advertising, promotion and media campaigns.

Cancellation

8. The Musician reserves the right to cancel an agreement for a given concert cycle without obligation upon written notice to the MCS prior to 45 days from the affiliated performance date.
9. MCS reserves the right to cancel or alter an agreement for a given concert cycle without obligation upon written notice to the Musician prior to 30 days from the affiliated performance date. Alterations will be made in good faith to the Musician - nominally to hours of service and venue location, and not dates of business. Cancellations made by the MCS within this 30-day period will result in a \$100 reimbursement to each musician whose contract was received and accepted before the cancellation’s date of announcement.
10. If in the event of an unanticipated emergency (e.g., act of God) it becomes impossible to carry out a scheduled rehearsal or performance, the MCS will have the right to cancel services without remuneration for services during the condition necessitating such cancellation.

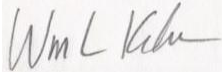

Agreement for Orchestra Musician Services: 2023-2024 Performance Contract

Public Health

11. To protect your fellow musicians from infectious diseases and to protect the symphony from last minute illnesses that decimate attendance at a concert, musicians may not attend rehearsals or performances if suffering from symptoms of infectious respiratory illness such as cold or influenza, or symptoms of life-threatening diseases of any kind.
